

Graduate Profile: Karina Summer

Graduating from college is always a momentous event for each student, and ASU at Lake Havasu wants to cherish their achievement together, share their joy, say their last goodbye, and congratulate them heartfully. Now, meet our graduate – Karina Summer!

Karina is a driven undergraduate student who pursued her degree in Business Communication. During her studies, Dr. Mann, a professor of Organizational Leadership and Communication, set Karina up with valuable contacts thanks to whom she got an internship at

the Mohave County Human Resources Department. This experience allowed Karina to learn about different functions of the department and discover her passion for Human Resources career. Karina shared that she loves ASU at Lake Havasu because it allowed her to create a lasting connection with professors who are very supportive of all their students. After graduation, Karina is planning to work full-time as the Elections Specialist at Mohave County Elections.

We are congratulating Karina with her big accomplishment and wishing her all the best in her future endeavors!
