Grace Arts Live

Peter Pan tells the story of Peter, a mischievous and eternal boy who can fly and never grows up. He invites Wendy, John, Michael, and Tinker Bell to join him on an adventure to the enchanting Neverland, where they encounter pirates led by the infamous Captain Hook and the Lost Boys. As they navigate this fantastical world, they learn about the power of imagination, the importance of friendship, and the magic of staying young at heart. Peter Pan celebrates the spirit of childhood and the belief that dreams can come true.

Peter Pan is presented through a special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. (www.MTIshows.com)
