Face coverings are required in all ASU@Lake Havasu buildings and outside on ASU@Lake Havasu grounds when six feet of distance is not possible.

All students will receive a health and safety kit, including face coverings and hand sanitizer, among other items.

Some Welcome Week activities will be postponed until Spring 2021 or later, which will allow students arriving to campus later to participate.

For more information about fall at ASU, visit asu.edu/fall2020 where you will find detailed information and a short video about our Fall 2020 plans.

Do you have questions about Fall 2020 and our efforts to facilitate the health and safety of our community?

If so, please make sure to attend the “College Health and Safety Presentation” virtually via Zoom, on Monday, August 17, 2020 from 10:45 a.m.–noon (MST).

Again, welcome to ASU@Lake Havasu!

Sincerely,
